Cookbook

Earlier this year, we made pictures of the children at Majest while they were cooking for our own cookbook. The cookbook is now ready and it has become wonderful. You can buy the book at Majest. You will see the pictures taken of your child while helping to cook the courses or at least the meals they eat at MAJEST. The price is € 15 for one book and € 25 for two books. It is always nice to have a cookbook of your child and it's a nice present to give.

Half Day Care Majest

From January 2017 Majest also opens a half-day care.

The half-day care is for children from 2 to 4 years old from Monday to Friday from 8:00 am to 13:00 p.m. The hourly rate is € 7.18, which is fully covered for the childcare allowance. See below.

Childcare allowance

The government increases the fee for the childcare allowance by 4.2% to € 6.69 for after school-care. For day-care is the maximum allowance set at € 7.18.

Please note that the calculation of the childcare allowance is up to 122 hours per month at the after school care for the childcare. You will risk having to repay the excess you have received.

Price raise

Due to the increased costs Majest is forced to raise the price by the same percentage (4,2%). The hourly rate of the All Inn package is € 6.63. For the Plus Package € 8.28 and for the Basic package € 8.79. The price raise is needed to ensure the future of MAJEST to absorb the increased costs and salaries and various investments etc.

Opening hours during the holidays

On Monday, December 5th, we are open until 17:00.

Please let us know whether your child will be coming to MAJEST on the days between December 27th - December 30th. The personal occupation will be aligned with the

applications for this period. Not signing up could consequently lead to that your child can not come to Majest that periode because there is not enough staff available. Therefore, please let us know before December 5. We will assume your child will **not** be coming to to MAJEST, if you if you haven't subscribed by then.
